# The Eastern National

---

The Eastern National Livestock Show, fourth largest livestock event in the nation, actually had its beginnings 34 years ago. In 1928, a handful of forward-thinking citizens, most of them cattle raisers or meat packers, organized the Baltimore Livestock Show and held their first exhibition at the Baltimore Union Stock Yards.

In the first year, nearly 2,000 head of livestock were shown and later auctioned off for \$247,000. A new world's record of 50 cents a pound for the grand champion load of fat cattle was achieved in that year . . . **It has been exceeded many times since then.**

The show's promoters had made the first step toward their goal to make Baltimore the largest livestock market on the East Coast. Another primary objective, of course, was the development and improvement of Eastern livestock.

The Baltimore Livestock Show continued at the Baltimore Union Stock Yards through 1946. The next step was taken in 1947.

Limited because of the facilities at the stockyards, the show group decided to make a move to the more spacious Maryland State Fair Grounds, where the huge barns, judging pavilions, restaurant facilities, sale rings and grazing fields offered the finest facilities to exhibitors. The name also was changed to the Eastern National . . . indicative of the show's expansion to something more than a local or area exposition.

## EMPHASIS ON QUALITY

Throughout the years, the objective of the show has been **quality**. This emphasis has apparently proved successful because the Eastern National has become the largest and finest livestock show in the East. Paralleled with this advance has been the rise in Baltimore's position in the livestock shipping and meatpacking industry to eighteenth in the nation and second in Maryland industry.

Then, too, the Eastern National also stresses the importance of young livestock breeders. Such emphasis has resulted in the show becoming the culmination of all 4-H and FFA livestock endeavors in Maryland and many adjoining states.

Over 300 4-H/F.F.A. members will be exhibiting 500 head of beef, sheep and swine projects at this year's show.

## CONTRIBUTES TO ECONOMY

The Eastern National contributes to the strong trend toward a livestock economy in the territory it serves. It provides a medium of stimulus to the greater production of meat for Eastern consumers and also provides a special stimulus to the improvement in the quality of

animals. It is one of the twelve regional shows of the country as recognized by the various Breed associations, and is the only regional show located in the East.

The Eastern National is supported almost entirely by memberships . . . by breeders, cattle feeders, the meatpacking industry, marketing agencies, businesses, and interested organizations.

If the show is to continue to grow . . . and to meet this increasing competition . . . it must have new support.

You, too, can be a "partner in the progress" of livestock improvement and the increase in the agricultural economy of the East. We invite you to fill in the application below and forward to the Eastern National office.

## AN EXPRESSION OF APPRECIATION

---

---

The Eastern National Livestock Show is pleased to announce that the premiums offered for the 1962 Show are over \$50,000.00. The grand cooperation of the Maryland State Fair Board makes this possible. This year the Fair Board has awarded \$26,055.00 for Fall Show and \$2,022.00 for the 1963 Spring Hog Show. The State Fair Board composed of Frank D. Brown, Jr., Chairman, Port Deposit; Howard Clark, Vice Chairman, Glenelg; Richard N. Wills, Secretary, McDonogh; Harry H. Rieck, Preston; Earl C. Robertson, Cumberland; Fred C. Ernst, Clear Spring; Albert J. Bailey, Hebron; John M. Crum, Frederick; W. Lawson King, Gaithersburg; R. Nelson Phelps, Executive Secretary, Timonium, has been very generous.

In addition to the Fair Board the Eastern National Livestock Show is very appreciative of the support of the various beef cattle, swine and sheep breed associations and individuals and organizations who have supported this activity.

Your Directors and Executive Committee are continually striving for improvement. This year, the Quarter Horse Show has been enlarged, the Carcass Contest improved and several new classifications added. We sincerely hope you will enjoy the 16th Eastern National.

## **William F. Schluderberg Memorial Classes For Novices**

(Open to Maryland 4-H Club or F.F.A. members exhibiting for the first or second time at The Eastern National Livestock Show, Inc.)

We are pleased to announce the continuation of the William F. Schluderberg Memorial Classes for Novices at the Eastern National Livestock Show as a memorial to the late William F. Schluderberg who was President of our company and Vice President of the Eastern National

Mr. Schluderberg, or "Mr. Will," as he was affectionately known, was a leader in promoting the interests of the Livestock and Agricultural Industries and was always very enthusiastic in his support of 4-H and F.F.A. Club work.

Because we feel that his efforts and support have contributed in a large measure to the growth and development of this project work in this area, this memorial is established to perpetuate his memory and to continue to encourage the 4-H and F.F.A. boys and girls to greater achievement.

## **ANNOUNCEMENT OF THE ESSKAY DINNER**

The Schluderberg-Kurdle Company will entertain members of the 4-H and F.F.A. groups, County Agents, extension officials at the University of Maryland, and the official judges at the Show at a dinner at their plant followed by an entertainment in their Auditorium, Tuesday, November 13, 5:30 P. M.

All winners of the William F. Schluderberg Awards must attend the Esskay Dinner and Program

Because of the increasingly large number of 4-H and F.F.A. members expected to attend and the limited facilities available, this invitation must necessarily be restricted to the groups mentioned.
